

Dear Longfellow community,

We are excited to get our before- and after-school world language enrichment classes up and running here at Longfellow! Input received through our December survey indicated strong interest, and the proposed schedule is below. This session will run from February 2 through April 3, with one week off for spring break. Additional detail is outlined in the online enrollment form. A paper/hard-copy enrollment form will go out on Monday. Online registration is preferred, with checks turned in to the office. **Please submit your registration forms by Friday, January 23.**

Online Registration: <http://goo.gl/forms/5hhV3g72Ax>

Thank you to our partners -- the Bozeman School District, the Greater Gallatin United Way kidsLINK program, MSU's Modern Language Department and Friends of World Language -- for making this possible. Coordinators look forward to hearing feedback from parents, students, language coaches, etc., so we can strengthen this initiative in future sessions.

If you have questions, please contact me ([randy.walthall@bsd7.org](mailto:randy.walthall@bsd7.org)) or parent volunteer / LPA language coordinator, Kate Wright ([kbwmontana@gmail.com](mailto:kbwmontana@gmail.com)).

For Our Kids,  
Randy
